

## A new community website

[www.farmingdaleforever.org](http://www.farmingdaleforever.org)

WE MUST PROTECT OUR CHILDREN

With this website, a core group of citizens is forming the Citizens Action Group to unify their voices and speak directly to their concerns. Additionally, the website will help encourage support for addressing safety concerns and protecting our quality of life in Farmingdale with the same stakeholders. Our streets are under siege. Speeding and distracted drivers along with the extreme volume of commercial trucks traveling through Farmingdale is endangering our children, senior citizens and every Farmingdale resident.

HELP US TO  
STOP THE SPEEDING – STOP THE TRUCKS

PLEASE HELP US BY JOINING THE CITIZENS  
ACTION GROUP AND LET OUR VOICE BE HEARD

# THANK YOU!
